

## Estate Walkabout Timetable 2012

Estate walkabouts are an important way of finding out what our residents think of the service, and what we can do to improve communities.

Residents are welcome to join us on a walkabout - you can let us know in advance if you are coming, just turn up at the meeting place, or pop out as you see us walk by.

In the unlikely event that the walkabout is cancelled, we will post details on here, so do please check.

A copy of the completed Estate Walkabout for your area is available on our website: <http://www.vaht.co.uk/walkabouts> or you can request hard copy from your Customer Relationship Manager.

## Estate Walkabout Timetable 2012

Estate walkabouts are an important way of finding out what our residents think of the service, and what we can do to improve communities.

Residents are welcome to join us on a walkabout - you can let us know in advance if you are coming, just turn up at the meeting place, or pop out as you see us walk by.

In the unlikely event that the walkabout is cancelled, we will post details on here, so do please check.

A copy of the completed Estate Walkabout for your area is available on our website: <http://www.vaht.co.uk/walkabouts> or you can request hard copy from your Customer Relationship Manager.
